

TEACHER INSTITUTE DESCRIPTION AND DAILY SCHEDULE

This successful, new program is designed for teachers of **all grades** and **subject areas** who want to dramatically increase the quality of their arts-teaching. The SFAC Teacher Institute will help you maximize your professional and artistic growth by providing you opportunities to:

- Immerse yourself in the exciting arts-rich environment of the Sitka Fine Arts Camp
- Explore practical and theoretical approaches to quality arts instruction
- Learn to incorporate a variety of interdisciplinary approaches in your classroom
- Attend specially designed Master Classes for educators
- Study in individual Mentor Partnerships with SFAC's world-class faculty.
- Learn new techniques in your choice of over 70 classes offered on campus every day.
- Attend nightly performances featuring SFAC's 40+ teaching artists.
- Reflect on classroom observations with your peers
- Create an artistic plan for yourself and your classroom
- Build your professional network by connecting with other arts teachers from around the state
